

Message from our CEO

As we close Fiscal Year 2025–26, we do so with a deep sense of gratitude for all we have accomplished together and great optimism for what lies ahead.

This year marked continued growth and progress for ACTS. Through strategic investments in our facilities, capital improvement projects, and the development of our new comprehensive outpatient program, we have strengthened our ability to serve individuals and families throughout our community.

These achievements are a direct reflection of the dedication, compassion, and commitment of our exceptional staff, as well as the unwavering support of our community partners, funders, stakeholders, donors, and advocates. Your belief in our mission empowers us to make a meaningful difference in the lives of those we serve every day.

As we enter Fiscal Year 2026–27, we do so with renewed energy and a clear sense of purpose. We remain committed to expanding access to care, enhancing service delivery, supporting our workforce, and ensuring that ACTS continues to meet the evolving needs of our community.

Thank you for being an essential part of our journey. Together, we have accomplished much, and together, we will continue to make a lasting impact in the year ahead.

Wishing you a safe, healthy, and successful new fiscal year. And as we celebrate our nation's independence, I wish you and your loved ones a happy and safe Fourth of July.

During the segment, ACTS Clubhouse Program Director Jennifer Mullins joined Central Florida Behavioral Health Network CEO Alan Davidson to discuss how the Clubhouse provides a supportive community where adults living with mental illness can build meaningful relationships, develop skills, and work toward their personal goals. The interview highlighted the Clubhouse model, the importance of connection and belonging, and the positive impact the program has on members' lives. Stay Sober this 4th of July

This year, as we celebrate Independence Day and America's 250th anniversary, take time to enjoy the holiday safely without drinking and make meaningful memories with family and friends.

- **Stay Hydrated** – Florida's summer heat can be intense, so drink plenty of water throughout the day and bring your own drinks to gatherings.
- **Get Active** – Enjoy a picnic, parade, fireworks, beach outing, or other outdoor activities that keep you moving and engaged and not thinking about drinking.
- **Set Healthy Boundaries** – It's okay to decline invitations or leave situations that make you uncomfortable. Protecting your recovery is a priority.
- **Take Care of Your Mental Wellness** – Holidays can be stressful for some people. Make time to rest, connect with supportive friends and family, and step away for a break if needed.
- **Celebrate Your Progress** – Reflect on the freedom sobriety has given you and set positive intentions for the months ahead.

This 4th of July, celebrate your freedom – including the freedom that comes with recovery.
